

I would like to take this opportunity to introduce you to my company, Elite Sameday.

We are a Manchester based Courier firm operating UK and European Sameday and Dedicated transport, along with specialist Exhibition and Event freight services. Our experience, matched with our fully flexible fleet, means that when you have a consignment that requires delivery locally, or anywhere in the U.K. or Europe, you can trust Elite to deliver the goods.

Flexible Fleet

Our modern fleet, combining Escort sized vans, Transits, LWB Sprinters, Luton Box vans and 7.5 ton lorries, allows us to collect and deliver items as varied as envelopes or pallets, light or heavy; with you paying only for the exact size of vehicle you require. All freight carried is covered by Goods in Transit Insurance to a value of £25,000.00 at no extra cost to you.

Top Quality Service

We know that transporting your consignment is about more than just getting it from A to B; by utilising the very latest computerised booking and planning software, satellite vehicle tracking and with satellite navigation in all our vehicles, you can be sure that your goods are routed quickly, directly and in total security to their destination.
